About the Event

The High Tea event is EGNC's signature fundraiser and benefits year-long programming and scholarships for the organization's Power Girl members. Food and traditional high tea will be served and tea hats are encouraged. The annual theme of the event is "Wear Your Crown, Embrace Your Royalty."

The event will feature dynamic speakers, live entertainment by our #NCPowerGirl members and ample time to network and socialize with other empowered people. The event will also include a silent auction, door prizes, and our organization's 3rd Annual Women of Distinction Award presentation, highlighting the significant contributions of women in the Piedmont Triad.

About Empowered Girls of North Carolina (EGNC)

Founded in 2000, Empowered Girls of North Carolina's mission is to enhance the quality of girls' lives by providing programming that builds integrity, respect and self-worth. Programming focuses on STEM, leadership, careers, healthy relationships, self-esteem, anti-bullying and literacy so that each graduate can fully embrace their life as a Power Girl while serving their community with an open heart. Nearly 70 percent of the girls served by EGNC live in families earning \$25,000 or less a year with nearly half living in single-parent households. EGNC has over 50 girl members and serves more than 150 girls ages 6 to 18 every year.
